Support4LHS FAIR data

* Obligatorio

1. Name and email of the preson responsible for the dataset *

2. Dataset name *

3. Do you agree to publish the data? Under which conditions? *

4. Dataset purpose *

5. Formats of data *

6. Re-use of existing data *

7. Origin *

8. Expected size *

9. Data utility *

10. Is the dataset identified and locatable? *

11. Does the dataset include metadata? *

12. Does the dataste follow any naming conventions? *

13. Is the dataset properly versioned? *

14. What methods or software are needed to access the data? *

15. If there are restrictions on use, how will access be provided, if any?

Is the access to your dataset limited by law (e.g. personal data)? If so, who is responsible for granting access?

*

16. Is there a need for a data access committee? *

17. Are there well described conditions for access? *

18. Do you agree to deposit the dataset in the Support4LHS project shared folder? *

19. Does the dataset include vocabularies, ontologies, or any other standards at metadata or data level? Which ones? *

20. Does the dataset include new ontologies developed for the use case? Are the published? *

21. Does the dataset include and explicit and machine readable license? *

22. Is there an embargo period in which the dataset, or its metadata, cannot be published? *

23. Is the dataset going to be published in a public repository? Which one? *

24. Data types of the data *

25. Expceted volume *

26. Update frecuency *

27. *
